

## Ansuchen um Änderung des Curriculums Application for the Change of the Curriculum

**Antragssteller\*in / Applicant:**

**Matrikelnummer / Student registration number:**

**Einreichdatum / Date of Application:**

### Änderung von Lehrveranstaltungen (LV)/Change of Courses

#### Ursprüngliches Curriculum/Original curriculum

	Auszutauschende Lehrveranstaltung LV (course to be exchanged)	Institution	LV-Nr (course nr)	ECTS	LV-Typ (course type)
1					
2					
3					
4					
5					

#### Neues Curriculum/New curriculum

	neue LV (VO, IV, ...), Publikation, (PUB), winter/summer school (SCH) etc./new course, publication	Institution	LV-Nr (course nr)	ECTS	LV-Typ (course type)
1					
2					
3					
4					
5					

#### BEMERKUNGEN/NOTES

- Publikation:** Eine Publikation als Erstautor wird i.d.R. im Ausmaß von 2 ECTS angerechnet, als Co-Autor mit 1 ECTS. Sollte eine Publikation als Ersatz für eine Lehrveranstaltung angesucht werden, ist verpflichtend auch die Tabelle „Ersatzleistung Publikation“ auszufüllen.  
*One publication as first author corresponds in general to 2 ECTS whereas as co-author it values in general 1 ECTS. If a publication is requested as a substitute for a course, the table „substitute publication“ must also be filled out.*
- summer/winter school:** Ein Teilnahmezertifikat unter Angabe des Teilnahmeerfolges und der Stunden ist mit einzureichen. Diese Kurse müssen ausgewiesene Weiterbildungsmaßnahmen (nicht z.B. Workshops im Rahmen einer Tagung) sein und von einer anerkannten Institution angeboten werden.

*When submitting a summer/winter school or a similar subject-related course, a certificate of participation stating the success of the participation and the number of hours must also be submitted. These courses must be designated further training measures (not f.e. workshops as part of a conference) and to be offered by a recognized institution.*

- **ECTS:** Sollten die ersetzenden LVs weniger ECTS als die im ursprünglichen Curriculum vorgesehene LVs haben ist dies zu begründen und es wird um gleichzeitige Anerkennung der Äquivalenz angesucht.  
*If the replacing courses have fewer ECTS credits than the course in the original curriculum this has to be justified and an application is made for simultaneous recognition of equivalence.*

### Begründung/Justification

Begründung für den Tausch der jeweiligen LVs / *Justification for the exchange of the respective courses.*

### Bestätigung der Betreuung/Confirmation of your supervisor

Der Tausch wird von der Betreuung befürwortet/*The change is accepted by the supervisor.*

Name der Betreuung/*Name of the supervisor:*

---

Datum und Unterschrift (Betreuer\*in)/*Date and signature supervisor*

---

Datum und Unterschrift (Antragsteller\*in)/*Date and signature applicant*

**Ersatzleistung Publikation/*substitute publication***

**NOTE: THE SUBSTITUTE PUBLICATION MUST NOT BE PART OF THE THESIS!**

<b>Contributor Roles Taxonomy (CReDIT)</b>		
<b>Contributor role</b>	<b>Role definition</b>	<b>Contribution %</b>
<b>Conceptualization</b>	Ideas; formulation or evolution of overarching research goals and aims; statement of hypothesis	
<b>Methodology</b>	Development or design of methodology; creation of models	
<b>Computation</b>	Programming, software development; designing computer programs; implementation of the computer code and supporting algorithms; testing of existing code components.	
<b>Validation</b>	Verification, whether as a part of the activity or separate, of the overall replication/reproducibility of results/experiments and other research outputs.	
<b>Formal analysis</b>	Application of statistical, mathematical, computational, or other formal techniques to analyze or synthesize study data.	
<b>Investigation</b>	Conducting a research and investigation process, specifically performing the experiments, or data/evidence collection.	
<b>Resources</b>	Provision of study materials, reagents, materials, patients, laboratory samples, animals, instrumentation, computing resources, or other analysis tools.	
<b>Data Curation</b>	Management activities to annotate (produce metadata), scrub data and maintain research data (including software code, where it is necessary for interpreting the data itself) for initial use and later reuse.	
<b>Writing/manuscript preparation - original draft preparation</b>	Preparation, creation and/or presentation of the published work, specifically writing the initial draft (including substantive translation).	
<b>Writing/manuscript preparation – critical review, commentary, editing and revision</b>	Preparation, creation and/or presentation of the published work, specifically critical review, commentary or revision – including pre- or post-publication stages.	
<b>Visualization/data presentation</b>	Preparation, creation and/or presentation of the published work, specifically visualization/data presentation.	
<b>Supervision</b>	Oversight and leadership responsibility for the research activity planning and execution, including mentorship external to the core team.	
<b>Project administration</b>	Management and coordination responsibility for the research activity planning and execution leading to this publication	
<b>Funding acquisition</b>	Acquisition of the financial support for the project leading to this publication.	
	<b>Total contribution</b>
