033 206 Angewandte Geowissenschaften	066 397 Advanced Materials Science and Engineering (AMASE)
033 299 Circular Engineering	066 406 Angewandte Geowissenschaften
033 276 Energietechnik	066 499 Circular Engineering
033 218 Geoenergy Engineering	066 476 Energietechnik
033 530 Industrial Data Science	066 518 Geoenergy Engineering
033 214 Industrielogistik	066 600 Industrial Data Science
033 238 Materialwissenschaften und Werkstofftechnologie	066 442 Industrial Management and Business Administration
033 224 Metallurgie und Metallkreisläufe	066 414 Industrielogistik
033 207 Montanmaschinenbau	066 391 International Master in Sustainable Materials (SUMA)
033 246 Recyclingtechnik	066 478 International MSc in Advanced Mineral Resources Development (AMRD)
033 216 Responsible Consumption and Production	066 399 International MSc in Applied and Exploration Geophysics (IMAGE)
033 208 Rohstoffingenieurwesen	066 487 International MSc in Building Materials and Ceramics
033 212 Umweltschutz- und Klimaschutztechnik	066 441 International Study Program Petroleum Engineering
	066 512 Joint International Master Program in Petroleum Engineering
	066 420 Kunststofftechnik
	066 424 Metallurgie
	066 407 Montanmaschinenbau
	066 446 Recyclingtechnik
	066 516 Responsible Consumption and Production
	066 408 Rohstoffgewinnung und Tunnelbau
	066 409 Rohstoffverarbeitung
	066 521 Safety and Disaster Management
	066 520 Sustainable Mineral and Metal Processing Engineering (PROMISE)
	066 412 Umweltschutz- und Klimaschutztechnik
	066 410 Werkstoffwissenschaft
